Have you lost or misplaced your church nametag? Here is how to order a new one…

Located in the Atrium and Narthex are small manila envelopes with an order form label on the front. Fill out your name(s) and select the type of nametag backing you prefer -- pin, *magnet, or clip. (*Note specifications for a magnet-style badge.) Place the appropriate payment in the envelope and give it to a greeter at the service you attend. The greeter will deliver to the church office for ordering.

The office will place the order(s) with Ralph's Trophy Shop, pick them up when ready, and contact you when it has arrived and where to retrieve it. Please contact the **church office** if you have any further questions.

The Blessing Box at Saint Mark was implemented by high school senior Brooke Wylie, whose grandparents are Saint Mark disciples Scott and Beverly Wylie. Please bless those in need in our neighborhood by donating non-perishable food and sundry items as you can.
