

Come Join Us!

Civic Engagement Clinic

Do you know ...

Who's your U.S. Senator and House Representative is and how to contact them?

Who represents you at the State of Colorado level?

Your local city elected officials?

How to contact your elected officials on their websites?

What information is important to communicate to your elected officials?

If you answered **no** to any of these questions, then come and learn the answers to these questions. One-on-one assistance will be available for participants.

Bring a family member or a friend and learn together!
