Happy July!

Summer is in full swing, and we have so many exciting things to share this month. July is **Disability Pride Month**, and this year's national theme, ***"The World Works Better With Us,"*** is a powerful reminder of the value of inclusion and the importance of creating communities where everyone belongs.

At Community Connections, we are proud to build partnerships that bring people together in meaningful ways. Whether it's joining us for **Inclusion Night with the Wareham Gatemen and the Cape Cod Baseball League on July 31**, or launching new opportunities for wellness and connection, we continue to lead of efforts founded upon the belief that stronger communities are built when everyone has a place to participate, be connected, and thrive.

This month, we're especially excited to introduce our new **Inclusive Fitness (IF) Initiative**, made possible through a **United Way of Greater Fall River Impact Grant** and our partnership with **Infinite Fitness**. Designed to be welcoming, accessible, and community-centered, this program will bring together people supported by CCI and other community members for a series focused on fitness, nutrition, wellness, and healthy mindsets.

To learn more, I invite you to watch my conversation with the team at **Infinite Fitness** as we discuss this exciting new initiative and the impact we hope it will have.

What IF we have fun? What IF we get fit? What IF we make friends?

Because community is always better when everyone belongs.

Thank you for joining us in advancing inclusion. We hope you'll celebrate Disability Pride Month with us, join us at the ballfield, continue showing up as a **Community Connector**, and help us create communities where everyone belongs.
