

# Small Business, Workplace Well-being Workshop

*May 3, 2019  
8:00–11:30am*

Join us for a morning of meaningful conversation and networking with like-minded employers. This year's symposium will feature three table talks facilitated by experts in the field. Walk away inspired and equipped with tactical takeaways on how you can make a difference for your employee health, safety and well-being initiatives.

## Table Talks

Improving  
employee  
engagement  
through  
communication  
strategies

Solutions for  
lowering worker's  
compensation  
costs

Tapping into low  
and no-cost  
resources to get  
your program  
started

Health Links® is a mentoring program based in the Center for Health, Work & Environment at the Colorado School of Public Health.
