

When it comes to Personal Protective Equipment, CMS members spoke, and we heard you.

Based on a survey showing 80% of our members continue to have difficulty obtaining PPE, affordable PPE and getting these products in a timely fashion, we are working with a Chicago area company that is warehousing PPE for CMS members. We believe this effort will also help address the quality of PPE that physicians are obtaining given reports that PPE sold by various firms doesn't meet standards or is exorbitantly priced.

We have put together a special program for members to purchase a wide range of PPE from N-95 masks, rubber gloves, thermometers, and other PPE at special competitive pricing. This PPE shopping program that is **exclusive** to Chicago Medical Society members is available immediately.

To begin ordering, please contact:

Dena Trudeau, Director of Customer Service at Professional Medical Inc.

www.promedsupply.com

She can be reached at dtrudeau@promedsupply.com (*preferred method of initial contact*). Or her direct line is 815-740-7528.
