# SUPPORT OUR WARRIORS

---

*"There's a reason why I'm still here. I haven't figured it out -- maybe I will, maybe I won't -- but as long as I continue to search for that reason to continue to try and benefit the lives of others, it gives me purpose."*

-BRBR Warrior PATHH participant

---

Soldiers rarely forget what they have seen and done. For those serving or having served, getting out of their own heads - isolated with their memories and thoughts; instead of being present and living their best life in the present moment can be a huge challenge. We understand that challenge, and that is why the Big Red Barn Retreat (BRBR) offers integrated practices and programs that allow Warriors to thrive at home. These integrated practices are alternatives to traditional treatments; and are provided to veterans, active duty service members, and first responders at little to no cost to them.

This event provides you with a unique opportunity for visibility as a philanthropic organization interested in the wellbeing and care for this deserving community of combat Veterans, First Responders, and their families.

In 2022, **The Big Red Barn Retreat** was able to provide:
