

## We want to pray for and with you!

Brothers and sisters, grace and peace to you from God our Father, and the Lord Jesus Christ! We pray you are healthy, and that your ministries continue to bear fruit for the Kingdom even as we take steps to avoid COVID-19. We pray also that your families and loved ones are shielded from the effects of the virus, and that all emerge healthy and strong as the threat of infection passes.

In the National Association of Congregational Christian Churches (NACCC), we are a scattered flock, made up of small communities of saints all across the United States ... with many fellowships isolated from other Congregationalists. That can make for lonely ministries, and feelings of separation within the wider Body of Christ. We want you to know we love you and are craving time with you in prayer and fellowship. We know that the same Spirit that enlivens large fellowships also enlivens gatherings of two or three, and Christ is at the center of them all, no matter the numbers or locations.

We would like to enter into prayer with one another as a way to bridge that divide. Technology allows us to gather now in new and creative ways, and we'd like to invite you to join this effort. We use the video conferencing program Zoom to gather digitally each Monday evening at 9 p.m. Eastern Time / 6 p.m. Pacific Time for a moment of prayer together. But we are incomplete without you! This is an important way for us to connect in the Spirit, to lift one another up, to bear each other's burdens, to celebrate victories, and to find meaning in setbacks.

Won't you join us? You can do so by computer, smart phone, tablet, or by simply dialing in. Here are the details to access the prayer meeting:
