Finding Our Way In The Future

Rev. Dr. Cindy Bacon Hammer, Moderator

It's June! And that means it is time for the NACCC Annual Meeting and Conference! We can't wait to see you as we conduct our business, learn from workshops and welcome our new [Executive Director, Rev. Dr. Ashley Cook Cleere](#).

Come join us on June 19-20 at the 2021 virtual AMC. The schedule is posted on our [new website](#) which includes the Business Meeting Agenda. Pre-recorded workshops and written reports (summarizing the past year's activities) will all be posted on the site prior to the meeting. Feel free to watch or read either before or after the meeting.

Please take advantage of this informational fellowship opportunity to say hello to old friends and meet some new ones as we share our love of God with worship and the Congregational Way!

Grateful For Your Service

Rev. Arthur P. Ritter, Chair, Board of Directors

The Board of Directors (BOD) is honored to serve the NACCC as the representatives of the delegates between our Annual Meetings. I am grateful for those who serve on the Board with me, offering their wisdom and careful consideration to issues that come before us. Serving this year were the Rev. Dr. Cynthia Bacon Hammer; Rev. April Barrett; Rev. Dr. Elizabeth Bingham; Jeff Dillon, Rev. Dr. Martin Hall, Claudia Kniefel, and Jodee Lord.

As this year's Annual Meeting and Conference approaches, I want to offer special thanks to Marty Hall for his four years of service on the BoD. Marty has been an extremely valuable member of our Board, serving on the Finance, and Congregational Investment Trust Oversight Committees.

Best wishes for a healthy and fruitful summer.

Your Gift - Now and Forever

Bob Smith, Congregational Foundation Board of Governors

While it seems like such a long time, it was only over a year ago that we went into isolation and spent even more time with family. It also meant meals at home. Those of us who were fortunate enough to have freezer capacity, purchased when we could and used the freezer to sustain us between shopping trips or deliveries.

Permanent Endowment funds are like a home freezer – something we can count on to sustain us for the long haul because we only use a small portion each time. Operating funds are like fresh food, used now, for which there is much enjoyment. Operating funds and Endowments work hand-in-hand to keep the NACCC vital and will sustain the Association both now and in the years to come.
