## **It is Fall Meeting Season in the NACCC!**

Michael Chittum, Executive Director

Just as surely as Fall follows summer, when Fall arrives, many of our state and regional associations plan for their annual meetings. Often, I am invited to be part of these gatherings, either as presenter or attendee. This year is no exception.

On October 11 & 12, I will be at the Iowa – Nebraska Association Annual Meeting that is hosted by the First Congregational Church of Burlington, Iowa. The following weekend, October 18 & 19, I will be in Central Lake, Michigan at the First Congregational Church for the Michigan Conference Annual Meeting. Then, on November 8 & 9, I will be part of the Southeast Association of the Michigan Conference Annual Meeting; this will be hosted by the Mt. Hope Congregational Church in Livonia, Michigan. At each of these gatherings, I will make a presentation about the Church Renewal Pilot Project.

## *of our Missions*

Fall 2019

A quarterly publication of the **Missions and Outreach Ministry Council**

### Word Alive Mission, Ghana, West Africa

In August, an 8-member team from Porterville Congregational Church, CA and Bow Lake Baptist Church, NH, travelled to Word Alive Mission to work in the orphanage, teach at a church leadership seminar, preach and give personal testimonies in 7 churches and break ground for the Ghana Guest House. For two of the remote churches, it was the first time they were visited by a mission's team. Travel was grueling – the bus broke down 4 times and often filled with exhaust for hours. Roads were washed out and full of deep, wide holes. For three nights in a row, the team had less than 4 hours sleep. The hardest part though, was when one of the young orphan boys asked, "Will you come back tomorrow?" and the team had a flight to catch.

### Hosanna Industries, Pennsylvania

"Their future is so bright, they gotta wear shades!" reports Hosanna Industries. Their Acorn Club 2019 was full to the brim with activities where young children played, grew and explored. They also learned to be respectful, kind and loving. The best part of all was that they learned that God loves them. Parents and students alike are grateful for this summer ministry.

### Mission School of Hope, Cameroon

Hygiene and sanitation are a huge challenge in the Baka community and the most affected are women and girls. Hygiene kits which included reusable sanitary napkins were given out to 20 girls. Because most families can't afford health supplies, girls must skip school for a week due to their monthly menstrual periods. 10 girls have already been trained to make the pads and more will be trained in the future.

### Ministerio Vida Hospital, Honduras

Part of the ministry of Ministerio Vida Hospital is to sponsor medical and dental clinics. The line is long, the sun is hot and the work is endless as staff ministers to the physical and spiritual needs of those who come. For those of you who speak Spanish, this is from Josue "Gracias Padre por permitir a MINISTERIO VIDA seguir siendo de apoyo en la obra que nos has encomendado. Gracias Dra. Rhona, por hacernos parte, y seguir expandiendo el Reyno de Dios. Vamos por mas!! A DIOS SEA LA GLORIA. For those of you who don't speak Spanish, a rough translation - "Thank you, father, for allowing ministry life to continue to be of support in the work you have entrusted us. Thank you, Dr. Rhona, for making us part, and continue to expand the kingdom of God. Let's go for more!! To God be the glory!"

## Mission to Mission

Rev. Jaime Julian sent a note of thanks to the Mission and Outreach Ministry Council for connecting him with Educational Concerns for Hunger (ECHO). Christian Mission in the Far East is an NACCC supported *International Mission*. ECHO is an NACCC *Recommended Mission*. The Mission and Outreach Ministry Council strives to connect missions for mutual benefit. During his last visit to the U.S., Rev. Jaime Julian visited ECHO in Florida. He learned different methods of installing wells and water systems. After returning to the Philippines, Jaime and his team have installed two wells and the Community Christian Fellowship Church now benefits from a sufficient water supply.
