

NOBLE DELIVERS WHAT YOU NEED, WHEN YOU NEED IT.

SUPPLY CHAIN SUPPORT FOR OREGON

Noble's price agreement with the State of Oregon allows procurement of maintenance, repair, and operations (MRO) products and equipment needed for facilities, grounds-keeping, building and maintaining roads and bridges, and many other supply requirements of the State of Oregon. State agencies, cities, towns, counties, educational institutions, and qualified nonprofit corporations can count on Noble to deliver products and services when and where they need them. Noble pays all standard shipping.

Noble provides the critical supplies you need to complete your mission. Our customers can access more than one million products from 11,000 established suppliers, including many of the most recognized brands in the MRO and construction industry.

From electrical and plumbing supplies to common maintenance items such as cleaning equipment, paint, and landscaping products, Noble's established supplier agreements result in rapid delivery of quality products for Oregon's state agencies and local supply needs.
