

SUSTAINABILITY FORUM

Co-Hosted by LEGOLAND® California Resort, Priya Bhat-Patel,
Council Member - District 3, City of Carlsbad and the Carlsbad Chamber of Commerce.

DRAGON'S DEN RESTAURANT AT LEGOLAND CASTLE HOTEL

Enter through main Park entrance off of One LEGOLAND Drive. Free parking at the Castle Hotel.

Wednesday, February 12th, 2020 3:00 - 5:00pm

Finger foods will be served • Cash bar

Free event for all businesses in North County, no registration needed.

Join us in the effort to help the North County business community learn more about how LEGOLAND® has taken the lead on sustainable practices such as eliminating single use plastics in their organization worldwide.

The vendors that LEGOLAND contracts with, as well as some of the environmental organizations, will be answering questions regarding their products and the overall impact of transitioning to environmentally-friendly options.

We will also have prepared information about state provisions and their effects on our local businesses.
