CHECK OUT THE SCOUTS BSA TEST LAB!
The Scouts BSA Test Lab is an exciting way for Scouts to help in the development of fun and interesting new topics unique to the Scouts BSA program. The requirements for each badge have the look and feel of merit badges, but instead of a printed pamphlet, you will find links to digital resources to help you complete the requirements.
If enough surveys show Scouts enjoyed these potential new badges, we hope to introduce them as official merit badges in the future. If you complete a Test Lab badge and it becomes an official merit badge, you will be credited with having earned that badge!
Keep logging in to this page to see what new topics are added, as each badge will have a test lab expiration date. **Please note that as we pilot potential merit badges to enhance the program, the test lab badges cannot be used for advancement.**

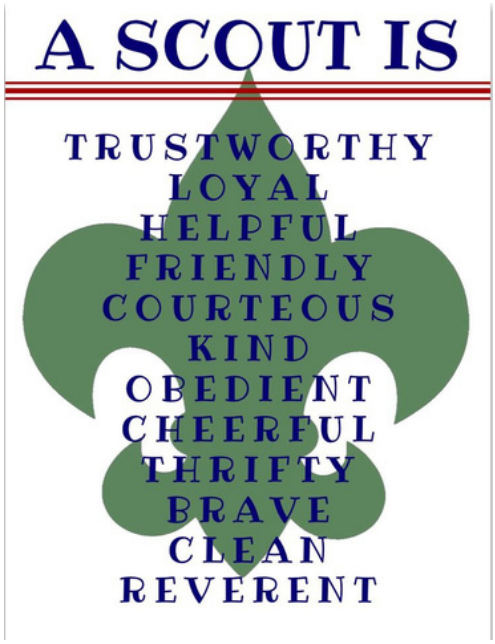

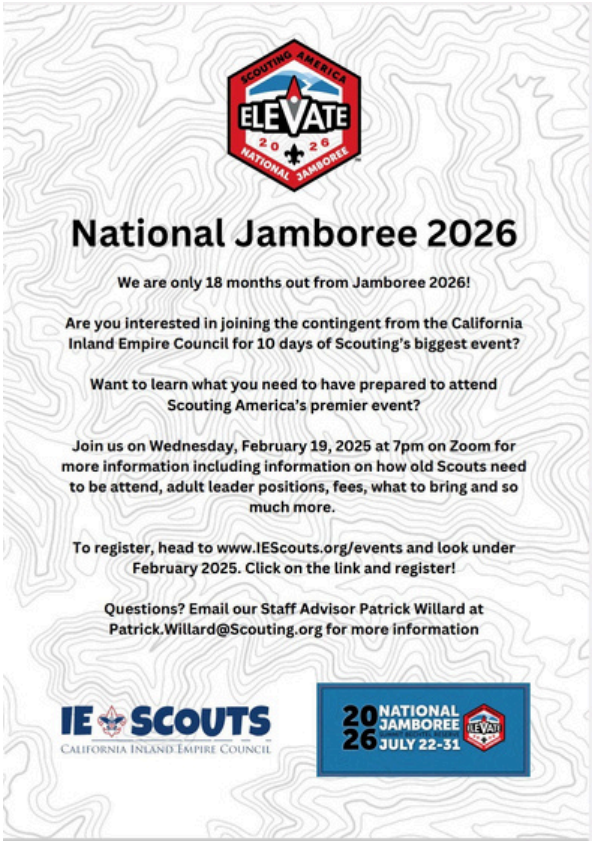

Council Recognition Dinner

Congratulations to the Silver Beaver Class of 2024!!
A remarkable group of volunteers who embody the values of Scouting. Through their distinguished service within our Council, the Scouting Community, and their everyday lives, these Scouters have made a lasting impact. From supporting Scouts at the unit, district and Council levels, their contributions are both significant and deeply appreciated!
Thank you for joining us in celebrating these recipients and all the accomplishments we, as a council, have achieved in 2024!
Congratulations to the Alumnus of the Year- Frank Sydow
Thank you for all your accomplishments in Scouting, your career, and overall involvement in supporting our youth!

A Scout is.....

A Scout is Reverent. It is an opportunity for Scouts to demonstrate their faith, leadership, and service within their community. Scouts and Scouters recognize the value of duty to God and reverence is Scouting. Scouting's founder, Lord Baden-Powell, knew that faith gives young people a road map for life, and that is a wise guide for thoughts and actions. #AScoutisReverent #DutytoGod #FaithInScouting #IEScouts #ScoutingAmerica
