

Teacher Advanced Academy

Are you a high school teacher?

Do you want to continue your learning?

Do you want to teach dual enrollment courses?

Do you want to earn graduate credits?

If you have already been accepted make sure you are on track to complete all of your courses so that you can teach dual enrollment courses.. You can take classes Summer23' Fall 23' or Spring 24'

OPS is partnering with UNO to provide opportunities for teachers to earn credentials that allow one to teach dual credit classes.

Priority will be given to high school teachers in the areas of ELA, Mathematics, Science, Social Studies, and Finance.

Classes start in the Summer of 2023.

If you are interested in learning more, please use the QR code to complete the form.
