

If you missed the voter registration deadline you can still vote!

Conditional/Same Day Voter Registration

Same Day Voter Registration, known as Conditional Voter Registration, is a way for Californians who miss the deadline to register to vote, or update their voter registration information, to vote in an election.

People who need to register or re-register to vote within 14 days of an election can complete this process to register and vote at their county elections office, polling place, or vote center. Their ballots will be processed and counted once the county elections office is sure the voter can vote in the election.

Visit CAEarlyVoting.sos.ca.gov for a list of early voting locations where you can do the Same Day Voter Registration Process.
