

Let's help Father Ladislaus bring the Eucharist to more Ugandans!

Dear Friends,

Our special visiting priest and good friend Father Ladislaus lives in Our Lady Source of Joy parish, 103 miles west of Kampala, Uganda. He and four priests live in one house and share the task of bringing mass to 55 churches. On Ugandan roads, this proves difficult and time-consuming. As a result, the people in those churches receive the Eucharist once every two months. On the other Sundays, they get together to read scripture and pray, but they have no access to mass.

Father's Bishop has asked them to raise funds for and build a second house for priests so that they can divide the 55 churches into two groups and reach the rural parishioners much more frequently. When the house is completed, the Bishop will assign more priests to the area.

Locally, they have already raised about \$20,000, but they need a lot more.

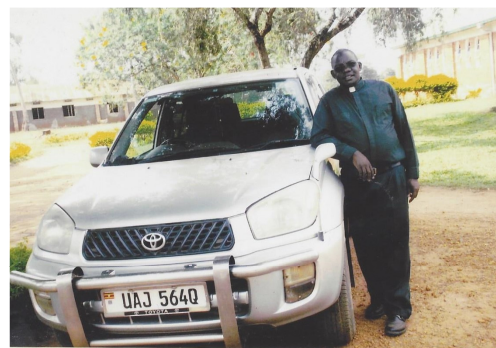

Here's a picture of the foundation they've already built. Let's help them build the walls!

We have a beautiful relationship with Father Lad. As he has given freely of his time and spirit, ministering to us over the years while Father Crispin is away, we have helped him in the past with such things as a roof for his parish office and an engine for his car.

Anything you can give will be a blessing on Father's mission and the underserved rural parishioners. Thank you for your generosity! (Please make checks out to St. John Parish)

We are having an **Open House** to thank Father Lad and give him a warm send-off. Please stop by the parish office on **Wednesday, January 23rd, any time between 6-8 pm.**

God bless you!

Fr. Ladislaus Poses for a photo near his car. THE NEW ENGINE was put in this car through the generosity of St. John Parishioners. THANKS A LOT
