

You Can Change a Life

Together, We Can Change a Hundred Lives

St. John School and Parish are very excited to announce a partnership with Unbound – a charity that allows us to directly help children and seniors in need.

Why Unbound?

- For \$40 a month, you can ensure a child gets an education, and tools to escape poverty.
- You can form a relationship with your sponsored friend through letters and photos. You'll even have the opportunity to visit your sponsored friend.
- Unbound is dear to Father Crispin's heart. He worked with Unbound, and was supported by a similar program as a child.
- Unbound receives top ratings from independent charity evaluators. 93% of Unbound's expenses go toward program support.

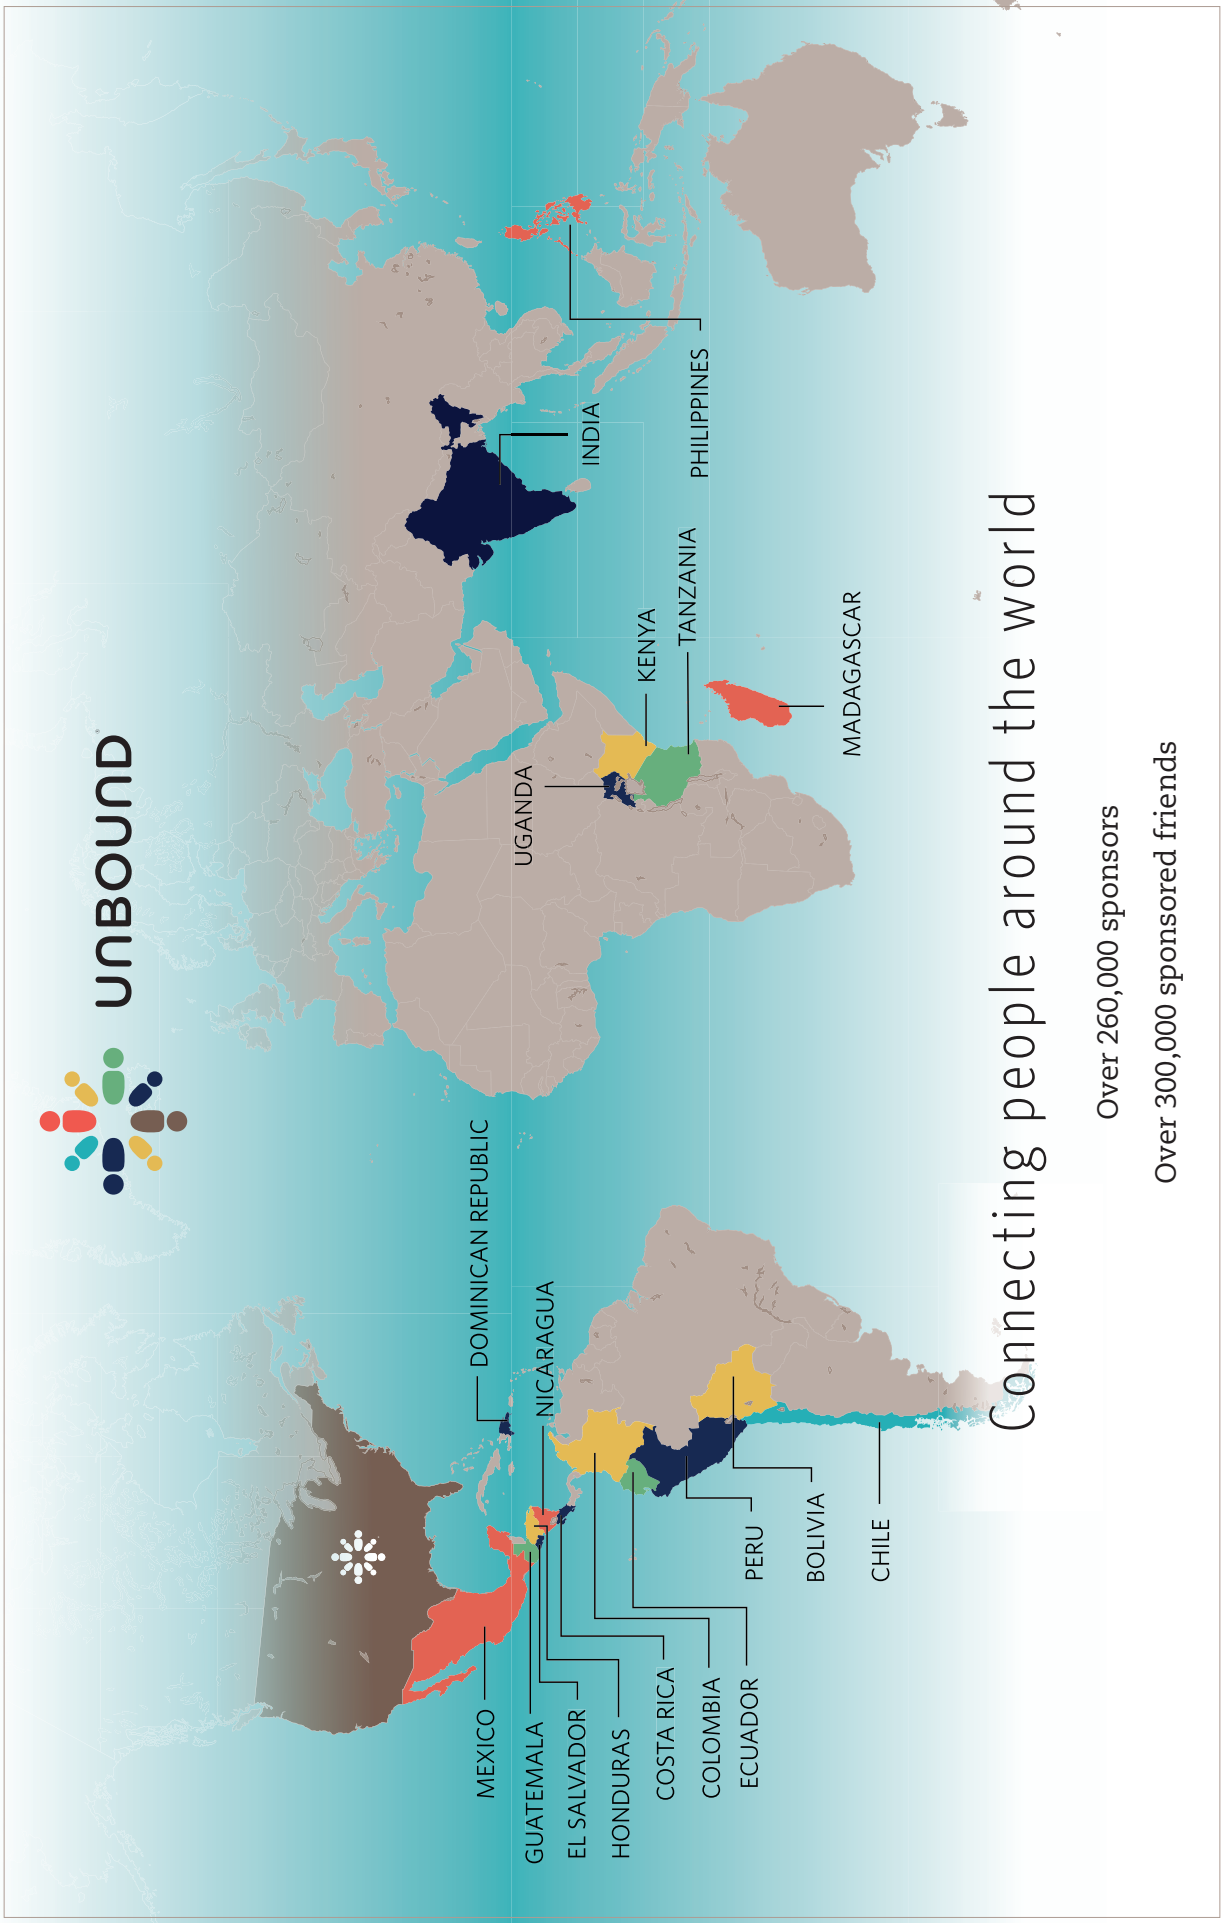

When? Sponsorship weekend is **September 28 and 29**.

How? There will be pictures and short bios of children who need sponsors at all the weekend masses. **Simply choose a child or elder** and fill out a bit of paperwork.

What if I can't make it to mass? You will have an opportunity to choose a child on Monday **September 30** at drop-off or pick-up, in the courtyard.

Where are the children from? We're focusing on **Guatemala**, so that your students get to exercise their Spanish skills, and because Unbound's Awareness trips make travel there relatively easy, but Unbound works around the world, and there will be children and seniors from many other countries available, too. Check out their map on the back.
