

# Phinney Ridge Youth Orchestra Auditions

**Don't Miss Out!**

## **Register to Audition for the 2018-2019 Season**

The Phinney Ridge Youth Orchestra is dedicated to playing string orchestra repertoire from the Renaissance until now. We have premiered pieces written for the PRYO, played authentic film scores, as well as arrangements of popular music.

We perform 3-5 concerts a year, including performing at the Royal Room and the Phinney Farmer's Market.

The PRYO is perfect for home-schooled students, private school students without a school music program, serious music students who may have started when they were older, or for families who can not afford the larger youth symphony associations.

**Audition Dates:**  
**September 6, 7, 8, and 10**

### **Audition requirements:**

Two scales - one major, one melodic minor, any key (two or three octaves)

One unaccompanied 2-5 minute solo to demonstrate technical proficiency

Sight reading (material will be provided for you at the audition)

A \$10 non-refundable audition fee

Musicians through age 19 are welcome.

**Please contact the PRYO to schedule an audition:**
