

## **St. John Catholic School After School Studies Program**

St. John After School Studies Program is seeking a teacher/tutor to join our team; one who is caring, patient and loves working with students.

This position is part time. 3:00-4:30 Monday and Thursday, about 3.0 hours a week. After School Studies runs through the school year only on days the school is in attendance. This program is available to students in grades 6-8. This job consists of supervising a group of children, serving snack and facilitating homework support.

The successful candidate must be willing to meet the Catholic Archdiocese of Seattle Safe Environment requirements, be 18 years old, and have a high school diploma. Wage depends on experience.

Opened until filled
