Virtual Gala

2021
**SPONSORSHIP
OPPORTUNITIES**

Since 1921, The YWCA of Orange County has been serving the community with a mission to empower women and promote peace, justice, freedom and dignity for all. We at YWCA-OC believe that women deserve the chance of leading a confident, healthy, prosperous, and safe life in their communities throughout Orange County, California. Our programs are designed to empower women and their families to receive healthcare, jobs training and placement, safety training and scholarships to lead a successful life.

Over 100 key leaders in business, education, government, and the community at large will be coming together virtually on Saturday, February 13, 2021 to attend the 29th Annual Gala. We would like to invite your company to join forces with the YWCA-OC as a partnering Sponsor. Your business will receive extensive exposure throughout the community while helping support our programs in Orange County.

Most importantly, your sponsorship will help support the programs and services of the YWCA-OC that touch over 18,000 women and their families and make it possible to continue the work of the organization.

If participating as a sponsor or underwriter of the Fundraising Gala is not aligned with your corporate budget, we hope you will consider donating goods or services from your company to be a part of our raffle. We would like to thank you in advance for considering our sponsorship request. If you would like more information, please send a message to Rosamaria Gomez-Amaro at her email below.

Sincerely,

Rosalina Camacho
President
2020-2021 YWCA-OC

DECade of Impact 2010-2020

YWCA of Orange County together with your generosity have accomplished the following in the last 10 years that we are proud of:

HEALTH: Neighborhood Link to Breast Cancer Screening

Our Neighborhood Link program led 30,000 medically underserved women in 120 neighborhoods to Breast Cancer screenings and early breast cancer education throughout Orange County. Through this program women who would have gone undiagnosed or diagnosed at a later, more life-threatening stage learned they were cancer free or navigated to further diagnostic exams or treatment.

ECONOMIC EMPOWERMENT: Youth Employment Services

Our Youth Employment Services program provided over 6,000 at-risk youth with employment assistance including resume-building, interview skills, online and in-person job seeking navigational skills, and career training opportunities which resulted in job placement and enrollment in career training programs, or post-secondary education.

EDUCATION: College Scholarships

Adult reentry women and men received 100+ college scholarships sponsored by community donors. Many of our scholarship recipients are single parents/head of households who delayed or interrupted their studies to support their family. These scholarships led them to achieve their academic goals and financial stability for their families.

DIGNITY & SELF CONFIDENCE: Prom Project, Marine Corps Dress Drive & Quinceañera

YWCA gave dignity and self-confidence to over 3,000 girls and women. The Prom Project's Boutique Days provided low-income high school girls new and gently donated gowns, shoes, accessories, makeovers and etiquette tips enabling them to participate in Prom, the community Quinceañera/Sweet 16 celebration at the Muckenthaler Center or Marine Ball feeling and looking like the belle of the ball. These milestone experiences are memories that will last them a lifetime.

STEM GIRL CODE / MAKERSPACE: Investment in Our Future

Over 150+ middle school girls from low-income neighborhoods have been learning computer coding, increasing their knowledge about STEM fields, and how technology is used in various careers. In addition, these students are engaged in hands-on classroom and after school STEM projects.
