

Georgia Metal Clay Guild Presents

# "Nobles and Impostors in Gemology"

By

**Beatriz De Irisarri**

Beatriz, a certified gemologist, is an awesome designer and jewelry fabricator. She will be focusing on natural diamond and colored gemstones vs. lab grown ones and imitations. She will be talking about Sapphires, Rubies and Emeralds and briefly about other gemstones that are coming back with all their amazing colors like Garnets and Spinel.
