

MARSHALL MIDDLE SCHOOL

Dear Parents,

Welcome to sixth grade at MMS. We are excited to have your child and look forward to a great year. Our 6th grade team wanted to take this opportunity to have you and your sixth grader review the required sixth grade materials for this school year.

Securing these items prior to the start of the school year will help to ensure a successful start to the year.

6th Grade REQUIRED Items:

- o Binder (3 inch)
- o Subject dividers/folders (8-10)
- o Spiral notebooks (1 for Math and 1 for ELA)
- o Pencils
- o iPad charger
- o Eraser(s)
- o Highlighters (yellow, blue, pink, orange, purple, and green)
- o Dry Erase Markers
- o Ear Buds
- o Calculator

Additional RECOMMENDED Items:

- o 3-hole punch (to be placed in binder)
- o Pencil pouch
- o Colored pencils
- o Customary/metric ruler
- o Scissors
- o Glue stick
- o Technology cleaning wipes
- o Stylus
- o Pens—red, blue, and black

To help our team have a healthy school year, we would greatly appreciate each homeroom student donating the following items to their homeroom:

1. Boxes of tissues
2. Bottle of hand sanitizer and/or sanitizing wipes

iPad Usage and Guidelines

iPads are a wonderful tool that help transform our learning environment. The use of iPads comes with a significant amount of responsibility.

For this year to be successful, we need to have a few guidelines in place. Please review the items below carefully.

Reminders

- Take the device home and **charge it every night.**
- Avoid extreme temperatures.
- You can access Wi-Fi at school and at home.
- The Internet is filtered at school and at home.
- Your iPad must be carried in the district-approved case.
- DO NOT place stickers on the back of your iPad or cover the areas which have your name and IT number listed.
- Your iPad must be connected to the NASD_PSK and the Bluetooth **must** always remain on (this will help us locate it if you lose it!)
- The App Store, iTunes, and Apple Music have been restricted from the device.

We view sixth grade as a bridge between the elementary and the secondary years. With your support, together, we can guide your child successfully through this transitional year.

Thank you for your support!

We look forward to meeting your 6th graders in August!

6th Grade Teachers,

Marshall Middle School
