Volunteering Opportunities

We have some exciting volunteering opportunities for our youth in the next couple months! Please sign your child up for any of the opportunities they can participate in on the upcoming events list on the next page.

We have plenty more events planned in the coming weeks. At every event, we offer food for the youth, from snacks and drinks to groceries to make a meal together to ordered food like pizza. Kids eat a lot! If you are able and would like to contribute to our food budget, please use the Venmo QR code to the right or reach out to Jess at jess@thensym.org
