Families going snow tubing at Camp Calumet

From our normal weekly youth group to making food for the International Food Fair to snow tubing at Camp Calumet or attending worship at all four member churches of NSYM, our youth have been busy learning about themselves, our community, and God.

Summer Camp

Camp is an amazing opportunity to build community while learning about God. This summer we will be attending summer camp at the Barbara C. Harris camp in New Hampshire. If you have not responded to Jess's email poll yet, please do so as soon as possible! This will help us pick a week that best suits our group.

We have plenty more events planned in the coming weeks. At every event, we offer food for the youth, from snacks and drinks to ordered food like pizza to groceries to make a meal together. Kids eat a lot! If you are able and would like to contribute to our food budget, please use the Venmo QR code to the right or reach out to Jess at jess@thensym.org

Upcoming Events

For the rest of the school year, we will be combining Middle and High School youth groups. Our youth, both younger and older, have so much to learn from each other and to teach each other. Later in the summer, we will be restructuring groups based on our church communities' needs. Keep an eye out for important updates on this!
