Dear Old North Church:

Thank you so much for your donation of \$1500 to Lifebridge North Shore. Your generous gift allows us to help those we serve.

Lifebridge North Shore is committed to supporting homeless and vulnerable individuals in our communities by establishing access to resources that provide safety and promote healthy physical, mental, spiritual, and emotional development. We believe in the fundamental worth and dignity of every human being. By offering shelter, housing, meals, and drop-in services, we aim to provide those we serve with acceptance, structure, opportunity, and the tools to make healthy decisions according to their needs.

Lifebridge is filling a variety of needs offering shelter, community meals, drop-in resource centers, and supportive services across three locations in Salem (Seeds of Hope and Grace Center), Beverly (River House) and Gloucester (Grace Center). Our innovative regionalization has allowed for streamlined systems for case management and services for our guests to achieve self-sufficiency and independence. The Grace Centers (Salem and Gloucester) are day resource centers serving women and men in need of a safe and supportive environment. We connect the unsheltered homeless to much needed services and community service partners while giving them a safe space to be.

We also have a Thrift Shop which is a revenue stream for our organization, as well as provides vital outreach resources for those we serve.

We truly appreciate your support.

Kind regards,

Dear Old North Church Outreach Ministry Board,

On behalf of HAWC's board, staff, clients and volunteers, I am writing to thank you and Old North Church Outreach Ministry Board for your generous gift of \$3,000.00, which we received on January 24, 2022. Your organization's contribution to our work will directly support survivors of domestic violence on the North Shore.

As a small non-profit committed to keeping survivors safe and ending abuse in our communities, we rely on organizational partners like you to fulfill our mission. Your support of our work demonstrates that your organization values the well-being of our community members.

Because of supporters like you, more than 1,400 domestic violence survivors received help from HAWC last year. Whether a client needs legal support, clinical services for their child to help heal them from trauma, shelter, or simply someone to talk to, HAWC is able to offer a variety of services to meet clients' needs. We could not do this without you.

Thank you for your commitment and leadership.

Sincerely,

Sara A. Starley  
Executive Director
