

NORTHSTAR

February 10, 2022

Jaclyn Ostronic, MA
Project Manager, Department of Pediatrics
University Of Nebraska Medical Center
42nd and Emile
Omaha, NE 68198

Dear Jaclyn:

Thank you and the University of Nebraska Medical Center Department of Pediatrics for your generous gift of \$355.00 to the NorthStar Foundation. We received this contribution on February 10, 2022.

As our communities continue to respond to the unprecedented challenges brought about by the COVID-19 pandemic, your support is especially impactful in helping NorthStar address the emerging needs of our boys and their families. Generous donors, like you, are nurturing the vital educational and social development of NorthStar students now and for years to come.

Your gift will have a lasting impact on making the NorthStar mission a reality for vulnerable and economically disadvantaged young men in North Omaha. NorthStar's mission is *to change young men's lives through programming that supports, challenges, inspires and instills a life rooted in education, self-discipline and service to the community.*

Thank you again for your generous investment in NorthStar's efforts to deliver a transformative impact, one student at a time. Please do not hesitate to contact me if I can be of service.

Sincerely,

Charlie Olsen
Director of Donor Relations
NorthStar Foundation

*Thank you for
all your support!*
