Dr. Eleanor Gradidge is presenting a Virtual Education Event on Bronchiolitis for our region on November 18th. 170 hospital contacts were emailed.

This is in concert with CNEB Outreach team. This will be repeated again in December for Nebraska EMS.

CODE: 31532

Dr. Courtney McLean was invited to speak on Entrustable Professional Activities (EPAs) and Milestone Reporting at the Organization for Neonatal Training Program Directors (ONTPD) annual meeting. She also serves on the Planning Committee for the ONTPD Bootcamp as well as the Co-Leader for the ONTPD Evaluations Committee.

Alyssa Averoff, mentored by **Dr. Courtney McLean**, presented "Effects of Transport Team Composition on Neonatal Intubation Success" for the AAP Transportation Section.

She won the section's award for the best trainee abstract.

Let's celebrate the **many clinical leaders** who responded efficiently and prudently to the **IV fluid shortage** — for example, collaboratively designing mitigation plans; updating the EMR with optimal-practice advisories; facilitating easier ordering of enteral hydration for those who can tolerate it instead of IVF; and communicating effectively throughout this time. We recognize that leadership in this crisis is occurring at many levels in all departments. In our division, some of those leaders include **Dr. Christopher Edwards** (Medical Director of Med-Surg units), **Dr. Lauren Maskin** (Medical Director of Clinical Effectiveness), and **Dr. Stephen Dolter** (CMIO).

CODE: 31532

Dr. Jonathan Cramer was asked to meet with, and lobby, Sen. Deborah Fischer (R-NE) on behalf of the Adult Congenital Heart Association (ACHA) for the (now successful) passage of the Congenital Heart Futures Reauthorization Act (CHFRA) through the U.S. House of Representatives and U.S. Congress which authorizes Congress to allocate up to \$10 million/year to the NIH for research and infrastructure in congenital heart disease.

CODE: 31532

The Society of Pediatric Sedation would like to thank and recognize **Dr. Lauren Edwards** for her voluntary participation in their pediatric procedural sedation simulation course that was held in conjunction with their national conference. She was essential to the success of the course!

CODE: 31532

Congratulations to **Dr. Melissa Thoene**
on her SPR membership!

CODE: 31532

Congratulations to **Dr. Christopher Cummings** on being selected to participate in the APS SPR Journeys & Frontiers in Pediatric Research program for 2024-2025!

CODE: 31532

Dr. Amy Lacroix was awarded "Outstanding Child Advocate of the Year" by the Nebraska Chapter of the AAP. This was awarded in recognition of her work with youth in detention at the DCYC over the past 12+ years and the education she provides to residents about the importance of caring for system-involved youth.

New Lincoln Pediatric Hospitalists

Dr. Alexis Malaterre

Dr. Kendra Reilly

Dr. Magi Dickinson

Dr. Danielle Thiessen

The hospitalist division has been expanding the presence of Children's Nebraska in Lincoln, ensuring high-quality, evidence-based care for the region's families! Since July, four new Children's Nebraska hospitalists have joined staff at two hospitals in Lincoln: Bryan Medical Center and CHI St. Elizabeth. We give thanks to division chief, **Dr. Sharon Stoolman**, and interim medical director, **Dr. Sheilah Snyder**, for their leadership, as well as to **Drs. Dickinson, Malaterre, Reilly and Thiessen** for joining our team.

The Joint Commission team
recommended the Nebraska
Medicine NICU team for
Advanced Perinatal Certification!
Congratulations!

CODE: 31532

Hospitalist **Dr. John Strand** entered a new leadership position at the national level, co-steering the subcommittee on provider wellness within the AAP's section on hospital medicine.

CODE: 31532

Dr. Salah Elrokhsy in Pediatric Endocrinology received praise for his professionalism and care: "We both care for a young girl with hydranencephaly, who has very volatile sodium levels. He has also stepped up to help me with a complicated young man with MODY5 diabetes. He always responds quickly and courteously. Dr. Salah, to me, reflects the true spirit of what it means to be a doctor, going above and beyond to make sure the patient gets the quality and compassionate care that they need."

CODE: 31532

Hospitalist **Dr. Aleisha Nabower's** clinical skill and bedside manner were celebrated by a patient's mother: "I just want to thank Dr. Nabower for not giving up until we got answers and providing so much comfort during such a scary time. She took the time to explain everything to me in a way I could understand and answered all my questions and showed compassion. She is amazing. I will forever be grateful for her."

Children's Physicians in Plattsmouth

Dr. Hannah Donaldson received positive comments through Children's Nebraska:
"Dr. Donaldson is the best provider I have ever experienced. There is absolutely no one that compares. The time she spends with you is beyond what you expect, and she makes sure your child really knows her."

Awesome

Children's Physicians in Kearney Recognition

“They were extremely busy, but they were still happy and upbeat and super helpful. I was so relieved to get the medical care my baby needed and also be treated with kindness and compassion.”

“The entire staff, from the moment I checked in to the moment I left after seeing the doctor was great! I appreciate the front desk staff, the nursing staffs and the providers at Children's Physicians in Kearney and would not trust anyone but them with the care of my child. I am grateful to have them as a part of our community.

They are a great resource!”
