Dear Jackie:

Thank you so much to UNMC for the generous donation of \$355.00 to Completely KIDS for Community Based Materials plus the in-kind materials! We are so thankful for your generosity and the stability it provides for Completely KIDS. This gift will help us continue to provide a safe place for kids to go after school where they receive quality time with caring staff, meals at night and on the weekends, fun and enriching academic assistance and so many other opportunities to learn and grow!

Because of your compassion for those in need, we can continue striving towards our goal of helping children and families by providing them with knowledge, skills and resources that they need to break the cycle of poverty. Our programming is centered on four core components: academic help, youth development, nutritious food, and family involvement. The combination of these components helps our youth and their families to be successful.

Your giving means so much to me and to the children and families who benefit from it, thank you again!

Sincerely,

Lacey Locklear

Chief Development Officer
