## Common Scenarios

*Please also inform your AS about any of the below*

### **Child was hurt while on a CASA outing**

- Take them home or to hospital, let CG and SW know

### **CG is not home when CASA drops child off**

- Wait at least 30 minutes, continue to call CG, last resort is PCC

### **Child contacts CASA while AWOL**

Nothing can be done. Don't drive them or pick them up. Call 211 for shelter list if necessary. If the child asks to be picked up or seen, CASA must explain they cannot due to rules and should encourage them to return or to call the SW

### **Child is arrested**

- Leave VM for the minor's attorney

### **Child in JH**

- Call JH to ensure it's a good time to visit the child  
446 Alta Road Suite 6100 San Diego CA 92158  
Phone: 619-671-4400
- Wear closed-toed shoes. Don't bring anything – no food, purses, cell phones, gifts, etc.
- Bring VFC badge and copy of court order
- Best times to visit: 8 am to 4 pm Monday - Friday. No visits on Saturdays. Sunday visits are by last name- **A-L** 9:00am-10:00am **M-Z** 10:15-11:15AM
- CASAs cannot visit Mon-Fri during the lunch hour 11am-12pm or 2-2:45pm during shift change.

### **Child moved to PCC – how to visit**

- Typically, SW puts CASA on a list – but if it's at night or on the weekend, call PCC directly and ensure it's a good time to visit the child. The CASA needs to bring their Court order and a picture ID. If the clerical staff have concerns, the CASA should ask that they reach out to the duty SW at PCC to confirm they are able to visit. That person (who is physically at PCC) can then go into their electronic system (which the clerical staff do not have access to) to verify that the CASA is appointed.
- **PCC:**  
**9400 Ruffin Ct, San Diego, CA 92123**  
**Hours: Open 24 hours**  
**Phone: (858) 514-4600**

### **Child is at risk of losing housing**

- Nothing immediate; call SW next morning or on Monday

### **Child has lost housing and is in immediate need**

- Call the **Child Abuse Hotline: 858-560-2191**. It's answered 24/7 and they'll be able to determine if a standby worker should respond or call law enforcement. If NMD, call 211 for shelter list

### **Child is in a physically unsafe situation – e.g., domestic violence, parent/CG is physical with child**

- If immediate danger, **call 911**. Also call **Child Abuse Hotline: 858-560-2191**
