FAQ'S Frequently Asked Questions

How do I view my schedule?

MidWeb>Current Students>My Class Schedule
(under "Academic Profile" section)

What if I'm sick and can't attend class?

Communicate with your Instructor via the method they've outlined in their syllabus. Some Instructors base grades upon attendance along with participation in class, while others allow a certain number of absences without repercussion. Instructors attendance policies will be outlined in their syllabi.

What should I bring to the first day of class?

Prior to class, review the syllabus in Moodle. Since you will be taking notes, bring paper and pencil/pen, or your laptop. Knowing your study style will help inform you about what you need. Highlighters, sticky notes, and bookmarks are some items students find helpful.

How do I request a loan?

For a student loan, go to **MidWeb>Current Students> Loan Request** *(under "Financial Aid" section)*.
For a Parent PLUS loan, go to *studentloans.gov* and click the "Parent Borrowers" tab in the center of the page.

How do I make an advising appointment?

Call **(989) 386-6626** or your **Mid Mentor** to schedule an appointment.

When do I buy my books?

As of the Tuesday before classes begin, books may be purchased using financial aid.

What if I need to drop or withdraw from a class?

Students drop or withdraw from classes for a variety of reasons. You may drop a class within the first week of the semester. If you drop a class, it will not show up on your transcript and you will not be billed. After the first week of class, you may withdraw (or leave) a class any time through the week before the end of class. When you withdraw from a class, you will receive a W on your transcript and you are still responsible for paying for the course. If you receive financial aid, dropping or withdrawing from class(es) may impact your current aid package and your ability to receive aid at Mid in the future. Refer to the Academic Calendar for semester-specific dates, and contact your Mid Mentor or Financial Aid to discuss your decision.

I live in Mt. Pleasant. Why do I have to pay out-of-district tuition?

The in-district area consists of the public school districts of Beaverton, Clare, Farwell, Gladwin and Harrison. Only residents of these school districts pay taxes to Mid and are therefore eligible to receive in-district tuition.
