

# Summer Camp 2017

**June 11-17**

Dear Scouts and Scouters:

Welcome to the Summer Camp 2017 Program Guide for Camp Edgewood. We are excited to have you as part of our Summer programs. We had another great Summer in 2016 and are ready to make Summer 2017's camp even better!

This guide has important information you will need for your stay at Camp Edgewood. It is designed for Patrol Leaders Councils, parents, and the adult leadership of your unit. Please review it completely.

We have worked hard this year to organize our most exciting program yet!

At Edgewood, we have a wide range of programs and activities all on one property. There are opportunities for traditional merit badge work but we hope you take notice of the new personal development options we will also provide. The older scout who has earned plenty of merit badges probably thought he would sit this camp out. Our hope however is that he will still attend with the troop to take advantage of programs we built with him in mind. It is vital as he transitions from a youth to a young adult that he sees to whom much is given much is expected. It is our goal to provide a program that each Scout can benefit from. A Scout should not have the time to attend everything that interests him. Through these offerings we hope to see you at Camp Edgewood for years to come!

Our camp staff is committed to exceeding your expectations. They are being carefully selected and trained to assist you. Your camp experience will be filled with adventures you will never forget!

"If you build it, they will come." We have designed what we believe will be a refreshing new Camp Edgewood experience and we hope to see you this Summer! You will witness the natural beauty of Southwest Louisiana, gasp at the programming found in no other camp, and leap in excitement at the friendships and fellowship you will experience.

We look forward to seeing you this Summer at Camp Edgewood. Please do not hesitate to contact our Council Office for any reason; we are here to serve! Thank you for choosing Edgewood as your Summer Camp destination, and we can't wait for you to join us!

Yours in Scouting,

Zack Breeding  
Camp Director

## THE RESIDENT CAMP EXPERIENCE

There is something that appeals to young men about packing up their gear and going camping for a week. Spending over four nights in the woods to experience nature's lakes and trails; it is an experience! And, an experience that no troop can duplicate on their own. A week of camp builds memories that will never be forgotten. We look forward to another amazing camp season with you this Summer!

### An Accredited Camp

Camp Edgewood is accredited each Summer by the National Camping School. This means our camp has met strict guidelines in health, safety, and programming. We are prepared for emergencies and understand that Scouts and Scouters are in our care.

### Camp Program

To us, program is more than merit badge classes. It is also specialty programs and camp wide games. It includes flag ceremonies and campfires. It's the songs and the cheers. We believe that program is everything you experience, from the time you step out of your car until you are headed back home. We believe we are prepared to deliver one of the best camp programs in America. New Scouts will enjoy our Brownsea program, while your older Scouts will be challenged in personal development programs. We know that every troop is different and approaches merit badge work in its own way. We have developed a curriculum that has a wide variety and are looking forward to helping you plan the program that is best for you.

### The Staff

Our Summer staff hiring and training is a 10-month process, starting the day camp closes the previous year. We hire the best candidates for each position and complete a week long training program before we see any Scouts! Additionally this staff frequently volunteers for nonresident camps and can be seen aiding specialized instructors for Winter Camp. The staff at Camp Edgewood are top notch & one of the best parts of camp.

### Food

Our meals are planned and prepared by professionals. You will enjoy well-balanced meals and we always offer additional food to what is served. You'll enjoy salad bars, cereal, and seconds! A sample menu is provided below.

### Campsite Reservation

At Camp Edgewood, there are several options for camping accommodations. We offer you

the opportunity to camp in your own tent, sleep in an Adirondack, or try out one of our screened cabins. Cabins and Adirondacks are available on a first come first serve basis within your site (based on when your troop reservation). Please request your campsite preference when completing the Troop Registration Form, and we will do our best to accommodate you.

Scouts with Physical Disabilities have the option of using Campsite 14, which is a fully accessible Campsite for those in need. Scouts with disabilities, along with their Troop, will be given priority access to Campsite 14 when campsites are assigned.

Provisional Camping is a program designed for the Scout who can never get enough of the camp experience! Scouts who attend camp without their Troop will be adopted by another Troop and will fall into one of their patrols for the week.

## PROGRAM

# CAMP EDGEWOOD PROGRAM!

Scouts will experience our great program lead by trained camp staff and Specialty Adult Instructors. Your Scouts can choose from a variety of merit badge courses and personal development activities to customize their week of fun!

“An individual step in character training is to put responsibility on the individual.”

-BP

## **Merit Badge Courses**

Scouts should begin planning and preparing for their merit badge courses many weeks before coming to camp. Many merit badges are easy to earn in a few days at camp, although others take a lot of work both in and out of camp.

Scouts can typically take any merit badge, yet our experience shows that some of the classes tend to be more academic and difficult for our less mature and seasoned campers. We strongly encourage you to help your newer Scouts choose a schedule that will ensure they can succeed!

We are eager to work with your Scouts on their completion of merit badge requirements. However, we abide by the BSA policy on requirements; we will not amend a requirement. Just because a boy comes to camp and is registered in a class does not mean he will automatically complete the merit badge. A Scout's individual actions and responsibility are the predominant factor in whether or not he completes requirements.

Your Scouts may be assigned homework to do in their campsites each night. It is recommended that each Scout have a current merit badge book for any course they are taking. Supplies are available in the Council Office or Camp Trading Post.

## **Personal Development Courses**

These classes are aimed at Older Scouts. It is our belief that Camp and the Scouting program are essential development aspects that can impact a young man's life. With that in mind and the Aims and Methods of Scouting close to our heart planning has been done to aid Older Scout in their next steps of life and their Scouting adventure.

## ONLINE CLASS SCHEDULING

### **Online Class Scheduling**

You will register for merit badge classes and personal development programs using our online class scheduling module. It is important that you prepare in advance for your class scheduling. The online module is a “real-time” system, and you will get the most out of it by completing your unit’s entire schedule at one time. Be sure to have a program session at a troop meeting to discuss available classes, then have the Scouts decide on a schedule based on their interests and advancement needs. You will need to provide them with copies of the class schedule and program descriptions. Many classes will fill up quickly, so it is important to complete your class scheduling as early and completely as possible.

**Class scheduling will begin March 15th, 2017.** You will receive authorization to begin class scheduling when it is available as long as the Council Office has received the Troop Deposit and a total of 50% of all other fees due.

### **Instructions**

**Early Winter 2017:** Make your reservation and pay the \$100.00 deposit. (The earlier the better as space fills quickly)

**March 2017:** Set aside at least one troop meeting to review Summer Camp programs and to have Scouts select their desired class schedule. Use the Schedule Worksheet to help collect your Scout’s selections.

**By March 15th 2017:** Have Summer Camp Deposit and 50% Troop Fees paid.

**Before May 2017:** Collect and make your final payment of fees (**Balance Due**) by **May 31th**, 2017 to avoid late fees.

When the class registration opens up in March, you will be able to log in to your Troop’s registration and use the online class scheduling module to register Scouts in classes. Be aware that courses are first-come, first-served, and our online module is “real-time”. Class capacities are rarely expanded, so register early! Print your unit’s schedule from the online scheduling module. Review each Scout’s schedule with them and be sure to check online for open spots in classes and to make last minute scheduling changes. Our staff will also send you a copy of your Troop’s class schedules for a final review a week or so before you arrive.

**Last minute changes:** Class schedules can be changed online up to five days before your arrival at camp. Our staff will be available after opening campfire to help with last-minute changes as available.

**IMPORTANT NOTE:** After you enter your class selections, please make sure to save the reservation, log out, and log back in to make sure the classes are entered correctly.

## **Course Guide**

The next few pages contain information on our camp programs for 2017. Our curriculum has been developed through a unique collaboration of Scoutmasters, Camp staff, and our council's camping and advancement committees. We are proud of the variety of programs we are able to offer, and with the highest quality found in Scouting!

**Summer Camp is primarily about fun!** Too often, younger Scouts create an aggressive class schedule focused on advancement. Please encourage your Scouts to take a variety of classes and work with your Scouts to help create appropriate schedules that mix advancement with adventure and fun. We believe that camp is about outdoor adventure and challenge; a Scout only enrolled in academic classes is missing out.

Many of our programs have age-appropriate suggestions and some have required minimum ages. We encourage you to use these guidelines when Scouts are creating their class schedules.

### **Important Info about Prerequisites and Items Not Covered in Class**

You will find that some of our class offerings include prerequisites or requirements that will not be completed at camp. In some cases, a merit badge must already have been earned prior to Camp. We do not permit Scouts to take these classes concurrently and these prerequisites must be complete before camp starts. Other requirements will not be covered in class as they are not able to be completed at camp for a particular reason (for example: requires documentation and/or observation for longer than a week, requires task to be done at home, etc.). Scouts may:

- Bring proof of completion on these requirements to class for the instructor to review

**OR**

- The troop may review these items with Scouts at a later time to complete the merit badge

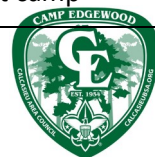

The following course guide is tentative and minor changes could be made as we make final plans. Any updates will be made available in time to prepare for online class scheduling in October.

**Occasionally, we may offer additional courses or sections, when skilled instruction is available. If any of your leaders are able to instruct a unique merit badge course not currently listed as being offered, please let us know!**

## Brownsea First Year Camper

Brownsea is our first-year Scout program and has been designed to give Scouts the greatest opportunity to learn basic Boy Scouting skills. The Scouts will work on Scout, Tenderfoot, Second Class, and First Class requirements. This program is run through the full day and skills have been coupled with the Camping, Hiking, Backpacking, Pioneering, First Aid, Scouting Heritage, and Swimming Merit Badges to advance learning and create a program specifically designed to help transition scouts from their Webelos mentality. Through engaging activities participants who will learn to return to their units and advance Scouting utilizing the proper techniques to take charge of their own learning and event planning at the unit level.

## Mafeking

Named after the South African village Baden-Powell helped save during the Second Boer Wars Mafeking is our answer to the second year or early cross over camper. Scouts will work on advancement requirements while also working toward the orienteering, wilderness survival, and fishing merit badges.

## Adventure Trail

Named after the Rockwell Painting Adventure Trail is designed for scouts who are currently in or wish to seek a Patrol Leader, Senior Patrol Leader, Troop Guide, Instructor, Quartermaster, Camp Staff, or Junior Assistant Scoutmaster related position of responsibility. This class is one a boy may take as many class sessions as they would like as an individualized development plan will be made with each participant. Those enrolled will be given the opportunity to aid a Brownsea Patrol's Staff Guide and have leadership training from camp administrators so they can become reenergized.

## **Personal Development Courses**

- **Venturing: Scouting “fastest growing program”**

Older scouts wanting new challenges will benefit from this session about Scouting’s **COED** program for 14-20 year olds. They will learn how learning and achieving mean nothing until you’ve developed skills to the point you can teach them to others.

- **College Selection and Applications**

Many students feel that the future is a ways off but in this lesson they will learn they can start looking ahead today. Topics include how to approach their search, planning to finance their education, and how scouting experiences can prep them for classes in school or even lead to decisions on potential majors they want to look at.

- **Resume and Cover Letter Writing**

“You can’t get a job without experience and you can’t get experience without a job.” To get both you need to be able to know how to present yourself with the proper forms of information on your background and why you want to work at a company.

- **Trail to Eagle**

First Class, Star, and Life scouts will review the Eagle Scout service project; how to prepare the application, ace the board of review, and strategies to stay on track to plan for the completion of the Eagle Scout rank.

- **LNT, Hornaday, & STEM**

Scouts will benefit from this class that will work to prepare them to seek recognitions other than advancement and build badges to larger accomplishments.

## Certification Courses

- **BSA Lifeguard**

Through completion of this course individuals will be certified as BSA Lifeguards and may arrange with the Aquatics Director to complete the Red Cross equivalencies.

- **BSA Aquatic Supervision– Swimming and Water Rescue**

Training for BSA Swimming & Water Rescue provides BSA leaders with information and skills to prevent, recognize, and respond to swimming emergencies during unit swimming activities. It expands the awareness instruction provided by Safe Swim Defense training. Persons completing the training should be better able to assess their preparation to supervise unit swimming events. The BSA recommends that at least one person with this training is present to assist with supervision whenever a unit swims at a location that does not provide lifeguards.

Although the training is consistent with training provided professional lifeguards, the Swimming & Water Rescue course is not a lifeguard training course and is not a substitute for BSA Lifeguard training . On the other hand, this course addresses important information that may not be covered in generic lifeguard training programs such as: preventative measures, including the buddy system and swim classification tests; how to set up a safe swim area in diverse situations; the use of non-standard rescue equipment; and emergency action plans in remote settings. Therefore, BSA leaders with lifeguard training from other agencies are encouraged to complete this course prior to supervising unit swim activities in remote settings.

- **BSA Aquatic Supervision– Paddle Craft Safety**

Safety Afloat awareness training provides guidelines for safe float trips and is required of unit leaders, but does not provide the skill training mandated by those guidelines. BSA Paddle Craft Safety expands Safety Afloat training to include the skills, as well as the knowledge, needed for a unit leader to confidently supervise canoeing or kayaking excursions on flat water. Persons completing the training should be better able to access their preparation to supervise paddle craft activities.

# Adult Program and Activities

The fun and adventure of camp isn't just for the Scouts! At Saturday's orientation we'll have the full schedule and details but, following are some of the activities that will be available:

## Leader's Lounge

We are proud to offer our Leader's lounge as a place for adults to relax, top off your personal jug of coffee, or rest when walking around to check on classes.

## Service Projects/ Class Instructors

We are always in need of your expertise, whether its for an improvement to a facility , participation in Edgewood Arrowcorps, and instructing a merit badges. Let us know your talents or interests.

## Training and Roundtables

Camp can advance any leader and we are pleased to be able to facilitate numerous trainings and discussion based forums to help units succeed.

Scoutmaster and Introduction to Outdoor Leader Skills on request

Potential roundtable topics include:

- How to motivate millennials
- Unique places to camp
- Awards other than Rank and Merit Badges
- Getting Eagles to buy back into the Troop
- New programs, badges, and updates from National
- Did you know that? Fun scouting trivia
- Trek, Weather, Aquatics Oh My... Safe Scouting Practices

## Order of the Arrow

### **Purpose**

The purpose of the Order of the Arrow is fourfold:

1. To recognize those Scout campers who best exemplify the Scout Oath and Law in their daily lives
2. To develop and maintain camping traditions and spirit
3. To promote Scout camping
4. To crystallize the Scout habit of helpfulness into a life purpose of leadership

in cheerful service to others

### **History**

The Order of the Arrow (OA) was founded by Dr. E. Urner Goodman and Carroll A. Edson in 1915 at the Treasure Island Camp of the Philadelphia Council, Boy Scouts of America. It became an official program experiment in 1922 and was approved as part of the Scouting program in 1934. In 1948 the OA, recognized as the BSA's national brotherhood of honor campers, became an official part of the national camping program of the Boy Scouts of America. Today, the OA is recognized as Scouting's National Honor Society.

### **Membership**

The OA has more than 181,000 members located in lodges affiliated with more than 310 BSA local councils.

### **Eligibility**

To become a member, a youth must be a registered member of a Boy Scout troop and hold First Class rank. The youth must have experienced 15 days and nights of camping during the two years before his election. The 15 days and nights must include one, but no more than one, long-term camp consisting of six consecutive days and five nights of resident camping, approved and under the auspices and standards of the Boy Scouts of America. The balance of the camping must be overnight, weekend, or other short-term camps. Scouts are elected to the Order by fellow troop members, following approval by the Scoutmaster.

### **Ordeal**

During the experience, candidates must undergo a series of challenges designed to test their courage and determination to uphold the ideals of scouting which the Order of the Arrow is based on.

### **Brotherhood Membership**

After 10 months of service and fulfilling certain requirements, a member may take part in the Brotherhood ceremony, which places further emphasis on the ideals of Scouting and the Order. Completion of this ceremony signifies full membership in the OA.

### **Vigil Honor**

After two years of service as a Brotherhood member, and with the approval of the national OA Committee, a Scout may be recognized with the Vigil Honor for outstanding service to Scouting and the community.

### **Call Out Ceremony**

This year at Summer Camp, the Order of the Arrow Quelqueshoe Lodge 166 will be conducting a call-out ceremony at the closing campfire to recognize those scouts and scouters who have been elected to become members of the lodge. If need of a unit election, e-mail the lodge leadership at [info@quelqueshoe.org](mailto:info@quelqueshoe.org).

## Edgewood Arrowcorps

### **Purpose**

The purpose of the Edgewood Arrowcorps is also fourfold:

1. To exemplify the Scout Oath and Law while at camp
2. To develop and maintain camping traditions and spirit of Camp
3. To promote Scout camping by enhancing facilities and conservation
4. To show helpfulness in cheerful service to others

### **History**

Following the theme presented at NOAC this past summer and in celebration of the OA's first 100 years this will be the first year of Edgewood Arrowcorps. Arrowcorps is based on the idea that the Order of the Arrow (OA) enjoys a well-deserved reputation as a brotherhood of cheerful service. In that spirit a class period has been set to allow Scouts (and Adults) to aid in the betterment of Camp Edgewood.

### **Who can sign up?**

Out of respect for the three levels of OA Membership all Scouts and Scouters are welcome to sign up.

- For nonbrothers this is an opportunity to meet Arrowmen
- For Ordeal and Brotherhood Members this is a way to show your support of the order and work towards advancement
- For Vigil Members we are reminded that reaching the peak does not mean we stop but rather that more is expected from us as we instruct and help others along the path of cheerful service

## TROOP ACTIVITIES AT CAMP

### Campfires

Can't wait for you to Join Us!

OPENING CAMPFIRE: Sunday at 8:30pm, we'll kick off the week with excitement!

CLOSING FAMILY NIGHT CAMPFIRE: Friday at 7:30pm, we'll close the week together with fellowship and fun!

### Adult Leader & Senior Patrol Leader Meetings

An orientation meeting for each will be held at 7:15 pm on Sunday. Information will be given out concerning the camp, its policies & procedures, and any specific items related to your camp week. We will also address any specific needs or questions you might have at this meeting.

- It is important that every unit is represented at both the Adult Leader and SPL meetings.

In addition to this meeting the opening night of camp the following will be held:

- An Adult Leader meeting will be held each morning, Mon. - Wed., after breakfast, roughly 8am, at the front of the dining hall for you to discuss any concerns or needs you may have.
- A Senior Patrol Leader meeting will be held each evening.
- Directly after the closing campfire on Friday will be a brief meeting to hand out class reports, and a chance for Troop Leaders to ask Camp Leaders any questions about MB completion.

### A Scout Is Reverent

The final point of the Scout Law is an integral part of camp. To assist travelling Scouts and adults in their obligations, we hold service on Sunday afternoon at 3:10pm. All are welcome to attend.

### **Trading Post**

Our trading post is exceptionally well-stocked to serve you. We have camp supplies, crafts, souvenirs, toiletries, and even some uniform items. Don't leave camp without your t-shirt or cap. Plus, the trading post has your snacks, drinks, and ice cream. The trading post accepts cash, checks, and credit/debit cards.

#### **Trading Post Hours (tentative)**

Sunday: 1pm-9:00pm  
Monday-Friday: 7:30am-9pm  
Saturday: 8am-10 am

### **Mail Service**

Mail service to camp generally takes 2-5 days. Be sure to register and insure all packages.

To write a Scout at camp, the mailing address is:

**MAIL-** Troop # "Scout's Name"

Camp Edgewood  
3419 Camp Edgewood Road  
DeQuincy, LA 70633

### **Lost and Found**

Lost and found items will be turned in at the trading post. **Leaders should encourage Scouts to mark their belongings with name and troop number.** Lost and found items will be kept for one week after being collected, then donated to a local charity.

### **Quartermaster**

Units may pick up latrine supplies and cleaning equipment as needed. Scout leaders may also pick up tools for special camp projects. The troop is responsible for the return of all items checked out in clean, working order, prior to departure from camp. The Camp Ranger and Quartermaster will be able to supply the needed supplies to you upon request.

### **Fishing**

Fish may be caught and released back into the lake. Fishing in the lake on Camp Edgewood property does not require a fishing license.

## Emergency Procedures

This outline is designed to familiarize any camp visitor or employee with the plan on emergency procedures. This will cover possible situations, protective measures, and how situations will be handled. Some situations could include:

- Missing Persons
- Fire, Tornado, Windstorms
- Epidemic or Mass Illness
- Serious Accident or Fatality
- Excessive Heat or Humidity

In the event of an emergency, use the following procedures:

- When the siren is sounded, you will hear one of the following:

— Intermittent Blasts (not continuous):

When intermittent blasts of the siren are heard, all Scouts and Adult Leaders should report immediately to the flagpole. Staff members will then serve as runners and go to each campsite that members are not accounted for. Scout leaders should take a head count and report any missing person to the staff runner. Instructions will be given at that time.

— One Continuous Blast:

When one continuous blast of the siren is heard, it indicates that dangerous weather conditions are imminent and that everyone should take cover in a ditch or appropriate tornado shelter. The central bathhouses and the interior of the dining hall are the best shelters to use during hazardous weather.

- In the event of **High Temperature** and **High Humidity**, everyone should drink plenty of fluids. Each person should drink as much as four (4) quarts of water a day. Even those in excellent physical condition should avoid strenuous exercise during these times.
- In the event of **High Humidity even at Low Temperature**, the camp health officer will remind Scouts and leaders at each meal to continue drinking water.
- In the event of **Freezing Temperature** the camp administration and health officer will make schedule and other changes as needed.
- In the event of **Lightning**, all outdoor activities will halt and all participants will move to the nearest shelter (not a tree). When the storm passes, Scouts will be advised by the area director as to their next step.
- In the event of a **Chemical Spill**, the Fire Department and Sheriff's Office will be notified.

The "all-clear" signal is the ringing of the camp bell normal camp activities will then be resumed

## General Camp Rules

At Edgewood, the foremost rules for personal and group behavior are the ideals found in Scouting. Scouts and Leaders should follow the Scout Oath, Scout Law, and Outdoor Code for all behaviors.

Beyond these ideals, the following rules are enforced at the Camp Edgewood:

- Fireworks are prohibited.
- Throwing rocks is forbidden.
- **All cars must be parked in the camp parking lot unless designated by the Camp Director or Camp Ranger.**
- Alcoholic beverages and illicit substances are prohibited.
- Use of tobacco products is forbidden.
- No fixed-blade sheath knives.
- No firearms or any kind of ammunition may be kept in the possession of any Scout or adult.
- No pets or other animals should be brought to camp (registered service animals permitted).
- No aerosol cans in campsites.
- All white gas lanterns, propane lanterns, stoves, etc. are to be filled and stored only by adults. Fuel must be secured and locked away.
- Closed-toed shoes must be worn at all times. Sandals may only be worn at the waterfront and at the showers.
- All campers and visitors must sign-in/sign-out at the camp office.
- Two-deep leadership is required at all times for youth. BSA Youth Protection guidelines must be practiced; leaders and parents must be trained.
- No thru traffic in program areas.
- No running on trails, bridges, or stairways.
- Bicycles are not permitted.
- **No one may ride in the back of a truck or trailer;** seat belts must be worn by anyone in a moving vehicle.
- Speed limit in camp is 5 mph. Pedestrians always have the right of way.
- No extension cords are allowed unless designated by the Camp Director or Camp Ranger.
- No fires or open flames are allowed in tents, adirondacks, cabins, or any other camp structure.
- Anyone leaving camp must sign-out at camp office.

### SCOUT OATH

On my honor, I will do my best  
To do my duty to God and my country,  
And to obey the Scout Law;  
To help other people at all times;  
To keep myself physically strong, mentally  
awake, and morally straight.

### SCOUT LAW

A Scout is Trustworthy, Loyal, Helpful,  
Friendly, Courteous, Kind, Obedient, Cheerful,  
Thrifty, Brave, Clean and Reverent

### OUTDOOR CODE

As an America, I will do my best to  
Be clean in my outdoor manners,  
Be careful with fire,  
Be considerate in the outdoors and,  
Be conservation minded.

### **Uniform in Camp**

The BSA Field Uniform is worn each evening at flag , dinner, by the unit raising the morning flag, and at opening and closing campfires. Units that do not have activity uniforms should also wear the field uniform at flag raising. Uniform must always be worn buttoned up and tucked in. Activity uniforms are appropriate for the remainder of the day. Shirts must be worn at all times.

### **Leaving During Camp**

Scouts and adults should have no reason to leave camp except for an emergency. If a Scout must leave camp for an emergency, they must be under the supervision of a qualified adult. Please sign out at the camp office prior to leaving and sign back in upon return.

### **Smoking**

Camp Edgewood is a tobacco-free facility. Adults with tobacco habits may use the secluded area of the parking lot. Use in any other area will result in dismissal from the property.

### **Damage to Camp Facilities**

All campsites and equipment will be inspected upon check-in and check-out. Any damages will be assessed and documented by the Camp Staff and a report given to the Camp Management. Damages may include lost equipment, defacing tents/ buildings, or ecological damages. Please conduct a thorough check-in inspection with your Troop Guide. Sample charges for damage are as follows:

Beds	
Bed Frame Replacement	\$305.00
Graffiti	
Marks per inch	\$25.00
Environmental Damage (damage to live trees, improper trash disposal, scarring of earth)	\$50.00

### **Ammunition, Firearms, and Prohibited Items**

Personal weapons and ammunition are not allowed on the Camp Edgewood. No hunting arrows, ammunition, or rocket engines may be brought on the property.

### **What Scouts Should Bring**

- \_ Scout Field and Activity Uniform
  - \_ Medical form including insurance information and parents signature

## **Medical Forms**

**Every person who attends camp must submit a complete and signed the most current version of the BSA Medical Form.** All parts, including the physicians approval, are mandatory for anyone who is staying in camp longer than 3 days, or participating in any high adventure activities. These forms are due at the time of arrival into camp; please do not mail these forms into camp prior to arrival. We encourage you to turn in copies of these forms to camp and keep the originals.

## **Dietary Needs**

Review your youth and adult medical forms in advance of leaving for camp. Give special attention to dietary restrictions. Our dining hall staff will be glad to see what they can do to help accommodate these needs if at all possible but, we must know as far in advance as possible to help prepare.

**Please contact the camp team as soon as possible if any of your Scouts or adults have special dietary restrictions.**

## **Pre-Camp Screenings**

All units are required to complete a pre-health screening within 72– hours of arriving at camp (form on pg...). This form must be turned in immediately upon check in and participants as indicated must be left at home. This screening may be done all at once or over the phone via the Scout parents so long as an accurate temperature can be obtained. Adults attending camp need to also be included in the screening.

## **Arrival Screenings**

Upon arrival one adult leaver will be required to complete a brief health screening with their unit and sign the arrival screening form. Individuals who are symptomatic will be quarantined.

## **Outbreak Procedure**

In the event of an outbreak, participants with an illness will receive care in a quarantined environment. Others in their campsite will be immediately re-screened for fever/ other symptoms.

## **Hospital or Doctor Visit**

In the event that a Scout requires medical attention from a physician or hospital the following procedure will be followed:

1. It is the responsibility of the unit leadership to provide transportation for members of their unit requiring non-emergency attention. Staff is not available to assist with transportation.
2. At least one adult leaders from the unit will accompany the Scout requiring medical services and must obtain the Scout's medical form before leaving camp property. A minimum of 2 people is required; you may be accompanied by adults from other units or off-duty staff or another youth in your unit.
3. Parents or guardians will be notified immediately by the Camp Director or unit leader of any serious illness or injury. Parents who will not be at home while Scouts is at camp must advise adult leaders of contact information in the case of emergency.
4. The Camp Medical Officer must clear all cases requiring outside medical care.
5. The troop is responsible for providing proof of insurance upon arrival at the doctor's office or hospital, or pay cash for services provided.

## **Arrival Times**

Check– In Time is Sunday 1:00pm– 4:00pm. Upon prior arrangement with the Camp Director troops may request a Saturday arrival. Troops arriving before Sunday afternoon registration and/ or staying past Saturday morning check out will be charged \$5.00 per person. Troops arriving early or staying late will be responsible for their own two-deep leadership, medical staff, and extras meals.

## **Sunday Check-In Procedures**

# SCOUT RELEASE FROM CAMP REQUEST

## INSTRUCTIONS

Scouts desiring to leave camp prior to the troop's departure or not as part of the troop must have a release signed by their parents and approved by the troop leader. Scouts will normally be permitted to leave only when accompanied by their parents. The form below must be used in handling all such departures. In an emergency, it may not be possible for a parent or parents to sign the release. In that situation sufficient information must be recorded attesting to the telephone call or means of communication by which word arrived asking for the release of the scout. This information should document the person from whom the call was received, verify telephone confirmation of the parent asking for release of the Scout and give detailed reasons for the requested release.
