

## **AFF WEBINARS**

### **PAST:**

On September 29<sup>th</sup>, in partnership with [Innovety](#), we co-hosted a webinar on **“Innovation for Survival: A Guide for Organizations in a ‘New Normal’”** where we discussed the 11 innovation practices organizations can adopt to survive.

AFF and Innovety are working on creating a series of capacity development modules based on this topic, and we hope to launch the modules in early 2021. Please stay tuned for more information!

We will share links to the presentation and the session with members in our Member Zone, which is exclusive for AFF members to access. If you’re interested in becoming a member, please apply [here](#).

### **UPCOMING:**

#### **Social Value International**

On December 9<sup>th</sup> at 10 AM GMT, we will co-host with our partner [Social Value International](#), our third in a series of webinars. The topic for this module will focus on **“Aggregating Portfolio Impacts - Challenges and Solutions”**

If you’re interested in becoming a member, please apply [here](#).

In February 2021 ,we will partner with the Gerhart Center as part of their incredibly informative webinar series, to host a module on **“What Does the ‘New Normal’ Look Like for Arab Philanthropy?”**

The module will feature a discussion on philanthropy in the age of COVID-19 and will include reflections from the Arab region on how the sector is responding to the changes forced by COVID-19:

- How are foundations thinking about their grantmaking?
- Will programs change?
- Will processes change?
- Are donors planning to be more flexible? If so, how? If not, why?
- What are the gaps that were revealed to the sector in terms of funding?

Please stay tuned for details on the speakers and more information on the agenda.
