

UCSD Cross-Cultural Center Presents...

Hey, I just wanted to let you know that what you said earlier was really offensive and problematic

it was just a joke tho lol

i dont get why you're so bothered about it when the joke wasn't even about you

writing off something offensive as a joke doesn't make it any less problematic

You're too Sensitive!

Join us in our discussion as we navigate social justice, fragility, and complicity within our communities and in popular culture.
