

Dear St. Catharine Parents and Students,

It's time for our 2nd annual **Fall Mumkin Sale**. Foertmeyer & Sons Greenhouse - a leading provider of beautiful nursery items for fundraising activities - will be supplying us with fresh, premium products at an exceptional value. You have your choice of adorable pumpkin or monster pot (BatMum is a hanging basket) to dress up your porch for Halloween. Mumkins and Mumsters come with mum colors as pictured in the catalog. Replacement mums without decorative pots are available in 5 different colors.

This year the sale will be conducted entirely online. You will receive an email from [fundraiseit.org](http://fundraiseit.org) with your child's webcode and direct order link. If you do not wish to receive email reminders, you can simply opt out by following the instructions at the bottom of the initial email. Emails will be sent based on updated information on the Digital Academy site as of 9/3. If you do not receive an email, you can find your child's code on [fundraiseit.org](http://fundraiseit.org). From the homepage, click *Parents*, then select *Student Sales Status* and type in the student information and St.Catharine.

Think about family, friends and neighbors you may want to contact (following social distancing guidelines) about placing an order. Encourage and support your student's efforts! In doing so, St. Catharine Home and School earns money for important initiatives (tuition assistance, buses for field trips, teacher wish lists, etc.), and our students earn prizes for their hard work. Check out the special student incentive on the back of this sheet.

We will have curbside order pick-up in the parking lot behind the St. Catharine gym. Parents will need to pick up all items ordered in each of their children's names and then distribute the orders accordingly. We will be following all current social distancing guidelines and mask mandates.
