

Dear St. Catharine Parents and Students,

It's time for the annual **Spring Plant and Flower Sale** to benefit St. Catharine Home and School!

Foertmeyer & Sons Greenhouse - a leading provider of beautiful nursery items for fundraising activities - will again be supplying us with fresh, premium products at an exceptional value. Available this year is a beautiful variety of flowers, herbs, vegetables, and hanging baskets. Look for the fundraising packet to come home with students on **March 8th**. The packet will contain all of the information you need to get started, as well as details on the incentives for the students who participate. This year, Foertmeyer wants to make sure parents get recognition for their hard work too. Look for details on how to earn a special parent thank you gift.

All orders can be placed through the Foertmeyer & Sons online store (www.fundraiseit.org) using your child's Web Sale Code included in his/her packet. You will also receive an email from fundraiseit.org with your child's webcode and direct order link. If you do not wish to receive email reminders, you can simply opt out by following the instructions at the bottom of the initial email. The order pick up day is the weekend *after* Mother's Day and there will be no Friday evening pickup this year. All orders will need to be picked up during designated times on Saturday.

Spring will be here soon, so this is a great way to select items for your garden while supporting the students of St. Catharine School. Begin thinking about family, friends and neighbors you may want to contact (following social distancing guidelines) about placing an order. Encourage and support your student's efforts! In doing so, St. Catharine Home and School earns money for important initiatives (tuition assistance, buses for field trips, teacher wish lists, etc.), our students earn prizes for their hard work, and don't forget the beautiful gardens for our family and friends. Help us reach our goal to exceed last year's sales by 5%.
