Dear friends,

As the High Holy Days are approaching (7 weeks away), we ask that you help us with our logistics planning. Please let us know which services you will be attending **IN PERSON** and how many people in your household will be attending\*. We are excited to once again offer Family services for our YEP! population in the mornings.

We encourage you – and welcome you – to attend all services in person. Zoom will be available to those out of town or who can't physically attend in person.

Since our parking lot has a limited number of spaces, we highly recommend carpooling so we don't have to contract for a shuttle van.

**We will not be sending out tickets this year and your response to this email is imperative in order to reserve your spot and serves as your ticket. All members must sign up ahead of time; names will be checked at the door.**

**\* Seats are offered to all Members in Good Standing and are non transferable. Should you wish to purchase tickets for family members who are not part of your household, please contact Renee.**
