

My name is Greg Peete. I reside on Pollack Ave in Ward 2. On Tuesday morning, I filed to run for the General Election for State Representative House District 77. With the caucus coming up on Saturday the 27th, I want to introduce myself and humbly ask for your support. I hope that I can gain your support for the nomination and prove that I am the best candidate to represent House District 77.

I chose to run for this seat for all Veterans in the State and Community. My Passion is wanting to be able to help straighten out the Indiana Veterans Affairs and get them the help they deserve. Also, I want to get policies in place to help with homelessness and mental health issues that reside in our community. I want to help with providing programs to underprivileged youth and help create jobs to help keep them out of trouble and in school. I also vow to make myself available to the district so you can reach me with problems that arise, and we will work together to fix the issues.

As a Lifelong Republican I have laid out some of my beliefs that I think are effective to helping make a change in the current district. I want to continue the fight for the unborn babies. I will Always stand firm on making sure nobody treads on your Second Amendment. I will work with the other representatives to make sure that we offer better education and teacher backing in all our schools. I took the Oath in the United States Army to always fight against all enemies both Foreign and Domestic and will bring that mindset to the State and make sure no one steps on your constitutional rights. I want to bring a problem-solving approach to state politics. "We need to all work together to solve problems. Democrats, Republicans and Independents must work together to solve problems for our community and for our families.

- 1.**I believe in Protecting Hoosier Veterans, making sure that the Indiana Veterans Affairs is fixed to provide the best possible care for Hoosier Veterans.
- 2.**Providing Better opportunities to low income families of the community and state. Finding affordable housing options and help with job creation.
- 3.**Affordable Mental health services and Medication. No Hoosier should have to worry about not being able to get the Health care that they need.
- 4.**Transparent Government I believe that Hoosiers should not have to worry that the people in office do not have the best interest at the fore front of every decision.

I want to continue giving back to the community that I fought overseas to protect which is why I am interested in serving as the House District 77 Representative. It is my hope that I will be able bring my knowledge, willingness to learn and ability to find the best solution to any problem with fairness and consistency. I hope that on June 27, 2020 I can count on your vote!

On the next page is a Bio of myself. I hope that you will take the time to read it and if you have any question please do not hesitate to contact me.

Brief Bio of Greg Peete

I am a 10-year United States Army veteran and A Disabled combat veteran. While I was in the United States Army, I served in the capacities of Infantry Team/Squad Leader, Training and Advisor. During Combat operations I was responsible for Millions of dollars' worth of inventory equipment needed for my squad to complete missions. I also service as a member of the Joint Forces Brigade at Stout Field in multiple different roles for the Indiana National Guard. As well as Serving as a Combat Operations Trainer at different locations around the United States for Pre-Deployment Combat Operations.

For over 13 years I have been a certified volunteer firefighter/first responder in the State of Indiana

Upon Return from a deployment to Iraq in 2007-2008 I saw a need for someone to stand up and help Veterans. I became a Veterans Advocate/ Resource Officer in 2008 and have put all my efforts into helping veterans file their claims with the Veterans Administration, get healthcare and resources. I have sat on many boards of directors for many large notable Veterans Service Organizations. I currently hold the Title of Post Service Officer for Local American Legions here in this area. This has allowed me to understand budgets, timelines, contracts and immediate need government programs that were a part of working with these organizations dealing with federal, local, state contracts and assistance.

Thank you for your time

Sincerely,

Greg L. Peete
