

TOOKANY/TACONY-FRANKFORD WATERSHED-WIDE BIOBLITZ!

APRIL 21 - 28, 2018

**HOW MANY SPECIES OF PLANTS & ANIMALS
CALL OUR WATERSHED HOME?
HELP US FIND OUT STARTING THIS EARTH DAY!**

Join us on April 28, 2018 10am-12pm, at these locations

Tacony Creek Park
I & Ramona Gateway (4528 I St)
Philadelphia 19124

RSVP to robin@ttfwatershed.org

High School Park
High School Rd & Montgomery Ave
Elkins Park 19027

RSVP to frankie@ttfwatershed.org

This Earth Day, TTF is launching a week long 'BioBlitz' - a fun activity to photograph and document every species of wild plant or animal that we find in our watershed. Submit your sightings using the free iNaturalist app throughout the week.

No smart phone or tablet? No problem! Join us for a fun, in-person BioBlitz session on the 28th at High School Park in Elkins Park or Tacony Creek Park in Philadelphia!
