

# LEAVE A MARK IN OUR WATERSHED

on Earth Day

Looking for a fun, hands-on Earth day activity for your block... church...class...friends...business?

Connect people to their creeks by marking storm drains to keep pollution out of our waterways.

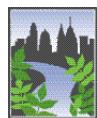

Join us for a free hands-on training!

You'll pick up materials, learn how to lead a storm drain marking, & enjoy pizza after!

**WHEN:** Wednesday, March 22  
from 3 PM to 7 PM
