

Show Jenkintown Creek Some Love

Rain Garden Planting

at Ethel Jordan Park

Saturday, November 11
9 am to 1 pm
Ethel Jordan Park

Get your hands dirty planting native plants!

We're installing a bioswale* and a rain garden to slow down and filter the polluted water that flows over land into the creek.

We're also restoring the eroded streambank.

Contact: Frankie@tffwatershed.org or 215-744-1853 to volunteer

*a long trench that receives runoff from rain and contains plants to slow down the water and filter out pollutants
