It is a great way to include the hospitalized kids in all of the Super Bowl excitement! The Basket of Hope gifts are filled with age appropriate toys, games, crafts, educational items, stuffed animals, puzzles, and more! The parents are offered a Basket of Hope Tote filled with items to nourish them physically, mentally, emotionally, and spiritually.

We will never forget the happiness you brought us the day you brought us the gifts from Basket of Hope. It was such a crucial time in our lives with a new diagnosis for our son. We will forever be grateful for your kindness.
