Atlanta, GA 30329

Greetings!

For more than 50 years, HOBY (Hugh O'Brian Youth) has inspired young people to make a difference and become catalysts for positive change in their home, school, workplace, and community. As America's foremost youth leadership organization, HOBY has a long history of motivating young people to develop into outstanding leaders. Our ambassadors are introduced to others from across the state in the hopes that they will inspire one another to become better leaders in their schools and communities.

At HOBY Georgia, high school sophomores build their leadership potential through a three day seminar where the ambassadors interact with local community leaders through panels, presentations, and group discussions about real-world issues. They also conduct community service projects to put leadership skills into action. We are reaching out and asking for donations to help us purchase supplies for our community service projects. This year we will be making blankets and cards for children with terminal illnesses in hospitals as well as making care packages for local camps designed for children and adults with special needs. We will use your donations to help provide supplies for these projects in hopes of making someone's day a little bit brighter. Thank you in advance for supporting Georgia's future leaders and community caretakers!

Sincerely,

Allie Sweeney and Hilary Mills
