

Chain Reaction Word Game

How to play:

The main goal of this game is to form chain words by connecting them through common two-word phrases or compound words. For instance, the word “Sun” can be linked to “Flower” to create the phrase “Sun Flower”, and then “Flower” can be linked to “Pot” to make “Flower Pot”, and so on. There are seven words – you start with the first word, and add the next word that matches the previous word until you get to the last word of the chain which is the seventh word.
