FYRA Volunteer Policy

1. Volunteering (2018)

7.1 FYRA requires that each family volunteer a minimum of 5 hours during the Early Bird Tournament (November) and 3 hours when Fredericton hosts Provincials.

7.2 A family will be fined a fee of $75 by the FYRA if they do not volunteer a minimum of five hours during the Early Bird Tournament. In years when Provincials are in Fredericton, the fine will increase to $120. In exceptional circumstances, volunteer hours can be made up at other times, with FYRA Board approval.

7.3 A Volunteer Manager will manage a comprehensive list of volunteer opportunities and promote online.

7.4 Exempt from this requirement are head coaches, and board ratified assistant coaches (2012), on ice officials who do at least five games per year, managers (limit one per team) and U7 families (with no children in higher divisions)

7.5 Fines must be paid in full before the commencement of the following season.
