

The Art from the Heart Gallery invites you to our
“Fall into Fall” Show and Festival

NOVEMBER 22, 2025

FOOD: 11:00am – 3:00pm

Join us as we host another Latin American food festival with the profits being used to support the Hispanic Ministry of St. Bede’s!

Culinary delights of different countries – tamales, empanadas, tacos, pozoles, arroz con pollo y pupusas – will be available to purchase for take home eating. We will be set up until 3 pm (or when the food runs out)!

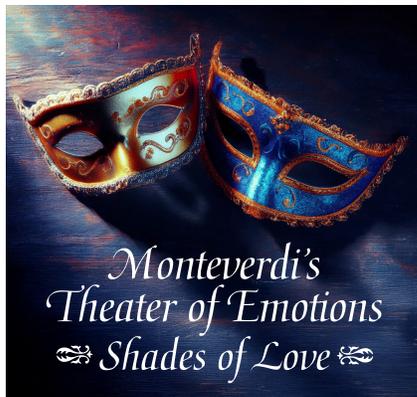

ART: 3:00 – 7:00pm

Join us as we celebrate local artists with a show and sale.

Paintings, photographs, jewelry, pottery, and jams and jellies will be for sale and available to take home upon purchase on the day of the event. The show will continue through January 9, 2026, and all purchases made after the opening show will remain in the gallery for viewing and sale until the show closes.

Hors d’oeuvres will be served beginning at 4:00pm. Wine and beer will also be available for a small donation.

MUSIC: 7:30pm

Join us for an intimate evening of Claudio Monteverdi’s vocal music, where passion and tenderness come alive through song.

Sopranos Wanda Yang Temko and Zorica Pavlovic share the spotlight, their voices intertwining so seamlessly that they are often indistinguishable. The program balances Monteverdi’s ornate, melismatic duets and solos with his most lyrical and heartfelt writing. They are joined by Jacob Bitinas (viola da gamba), Charles Iner (theorbo), and Brian Bishop (harpsichord), who will also perform instrumental interludes from the same region and era. Special guest Brittany Salkill will appear on 17th-century flute.

Suggested donation: \$20 – Everyone is welcome; no one will be turned away. A portion of the proceeds will benefit the St. Bede’s Music Department.
