

8th Annual SOHL Conference

In the Driver's Seat

How Patients Are Changing the Healthcare Delivery System

Patients are taking a more hands on role in their health and health care organizations are taking notice. Explore emerging models of care that supplement and extend more traditional health care delivery models. See the difference an empowered patient—more active in their care decisions—can make.

October 28, 2016

7am – 4³⁰pm

**Scripps Schaezel Center
in La Jolla**

The Speakers

Strategy Advantages' **Larry Platt & Kim King**

Navigating the 3 Cs of Healthcare Change – Care Transformation + Consumerism + Cost
