The Special Enrollment Period will be Available Feb. 15 – May 15, 2021, through HealthCare.gov

On Jan. 28, 2021, the Centers for Medicare & Medicaid Services (CMS) [announced](#) a new special enrollment period (SEP) due to the coronavirus (COVID-19) pandemic through Exchanges using the federal www.HealthCare.gov platform. States using their own Exchange platforms are strongly encouraged to make a similar SEP available in their states.

Starting on Feb. 15, 2021, and continuing through May 15, 2021, Exchanges using the www.HealthCare.gov platform will make a SEP available to all Exchange-eligible consumers who are submitting a new application or updating an existing application. Beginning on Feb. 15, 2021, consumers seeking to take advantage of this SEP can find out if they are eligible by visiting www.HealthCare.gov. Consumers will have 30 days after they submit their application to choose a plan.

Consumers do not need to provide any documentation of a qualifying event (such as loss of a job or birth of a child), which is typically required for SEP eligibility.
