## Enhanced Diabetes Cost-Share Benefit Member Flier

CareFirst is taking steps to support our members with chronic conditions, including diabetes. To help you explain CareFirst's enhanced diabetes benefit, we've created a [flier](#) for members you can share with your clients.

As a reminder: This benefit is available for CareFirst members with fully insured group or individual plans, and self-insured groups who have opted in.

Refer to the [November 12, 2020 Broker News](#) for more information.
