

Gregory L. Andersen, 33° Spring Reunion Schedule 2022

We call our degree conferrals "Reunions" because the brethren come together to share the special lessons of the Scottish Rite degrees with a new class of candidates. As we meet to witness and perform these degrees, the teachings of the Scottish Rite are exemplified to our new brothers and reinforced in us anew.

We have a reunion coming up soon. It will be a full reunion and will feature all 29 of the Scottish Rite degrees.

We hope you will show your enthusiasm for Masonry by attending the Scottish Rite reunion this Spring in honor of Ill. Bro. Gregory L. Andersen, Past Master of Kadosh.

The degrees are ancient but the lessons of the degrees are as meaningful and important as ever.

Why I am a Scottish Rite Mason?

Scottish Rite offers a **friendly, welcoming** environment

Scottish Rite has a culture of **civility** where all members and guests are treated as brothers and equals.

You have an opportunity to **meet new people** from different Lodges with different vocations and to learn and grow from those relationships.

Scottish Rite offers classy **social events** that you will be proud to attend.

Members have an opportunity to **participate** in a variety of events that suit their interests and skills and they can participate as much or as little as fits their schedule.

Scottish Rite Masonry reinforces the basic Masonic tenets with allegories that provide **philosophical enlightenment** and cause you to think and grow.

Scottish Rite Masonry offers members an opportunity for **personal leadership development** by planning and completing various activities and events.

Scottish Rite supports **charities** that educate our young people, help those battling Alzheimer's disease, and assist those with challenges in speech and language at our Rite Care clinics.

These are some of the reasons current Scottish Rite Masons have given for becoming and continuing to be members.
