

Year-End Update, December 15

A Message From the Executive Director

Dear Friends,

In our own communities and around the world, this year has been filled with loss and heartache. But as we respond to the needs of a global pandemic, historic natural disasters, and ongoing development projects, this year has also brought countless opportunities to love our neighbors and to show compassion.

Your continued faithful support for Week of Compassion has been a light of hope for many, and continues to embody the love of Christ made known in the world. Here are the ways and places in which your compassion has shared light and life, responding to the needs of 2020.

Peace,

Rev. Vy Nguyen, Executive Director
