

COVID-19 Response Update

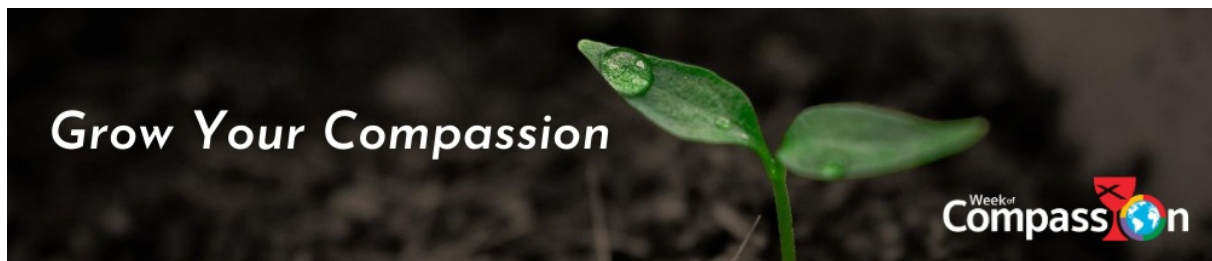

Steadfast love and faithfulness will meet; righteousness and peace will kiss each other. Faithfulness will spring up from the ground, and righteousness will look down from the sky. The Lord will give what is good, and our land will yield its increase. Righteousness will go before him, and will make a path for his steps. -Psalm 85:10-13

Since March, Week of Compassion has been working to support partners as they meet critical needs during the COVID-19 crisis. Many have adjusted existing projects in order to meet evolving needs; others have implemented new programs to address new challenges. We recently shared that our **Board of Stewards approved the allocation of up to \$1.5 million for COVID-19 relief**. This map gives just a glimpse of how those funds have been distributed so far; your compassion is truly at work “around the world, around the Year.” We continue to work with global partners and through local Disciples congregations to meet needs and alleviate suffering. In the coming weeks, we will share more stories of the programs and *people* transformed through this work and more about how you can help.
